PROFESSIONAL SUMMARY

Experienced and passionate professional with a natural affinity for connecting with children. Throughout my life, I have delighted in engaging with children through various creative activities such as drawing, game-making, singing, acting, and designing original lessons tailored to both group settings and individual needs. My ability to inspire children with my creative energy is matched by the inspiration I receive from their unique perspectives and boundless imagination. Seeking a fulfilling opportunity to channel my passion into a career working with children, where I can contribute to their growth, development, and overall well-being.

CORE QUALIFICATIONS

EXPERIENCE

- May - Dec 2021 Teacher of Drama and Art at the First Studio of Television, Media Broadcasting and Creative Development
- At the studio we were doing a lot of fun with children on the Art and Drama classes. Art classes included: original lesson programme, modern materials and smart solutions to improve imagination, in addition we were making costumes and requisites for the Drama classes. Drama classes: mini games to warm up the body, poetry and music performances, work on characters, script reading and acting.
- 2019 - 2021 Private teacher of Art and Drama
- I was doing private lessons for children from 4 years old, with the personalised direction, according to the child's interests, from basic art classes to the animation course, acting skills, story boarding and video making.
- 2014 - 2015 Educator assistant at DAR - Russian pre-school
- I was working as an educator assistant at russian pre-school Dar, with 4-6 y.o. kids. I was supporting teachers during the classes, accompanying the children to the toilet, playing with kids on their breaks, and helping to prepare snacks.
- May 2015 Master class Lead at Animation project for children, in collaboration with a producer of children edition "Kengurokot"
